SUBJECT Payment of enhanced rate of allowance, i e at Rs 20/- P M to the Vaterinary Inspector, - Davangere for examining the animals brought for slaughter at the Municipal Slaughter House

---

In enclosing herein the representation received from the - Vaterinary Inspector, Davangere in the matter of increasing the existing rate of allowance of Rs 10/- P M to Rs 30/- P M for examining the animals i e Sheep, goats that are brought for - slaughter house daily in Davangere City, I write to state that at present, the Veterinary Inspector is being paid an allowance of Rs 10/- P M for his extraneous services rendered in this - behalf as sanctioned in Government order No L4394-96/M1 31-38-47 dated 29-11-1938

The present request of the Veterinary Inspector for enhancing the allowance from Rs 10/- to Rs 30/- P M. was considered by the Municipal Council at its meeting held on 24/25-4-1951 and it was resolved that the present rate of allowance might be enhanced to Rs 20/- P M and that Government be requested to accord sanction to this

A copy of the resolution is herein enclosed for favour of - reference

P T O

Since provision at the rate of Rs 10/- P M only has been made for this purpose under the head E-6 Slaughter Houses in the current year's Budget, the extra cost at Rs 10/- involved will be met from the closing balance during the current year and that due provision at this enhanced rate would be made in the Budget from the subsequent years

I write to state that the work connected with the inspection of animals brought at the Slaughter house has really increased of late

In the circumstances, I recommend that sanction of Government may kindly be obtained to give effect to the resolution of the Municipal Council

Sir,

I wish to inform you that the Municipal Slaughter house of Davangere at is being inspected by the undersigned since 12 years for which the Municipality is paying a monthly allowance of Rs 10/- only I may here mention that on an average 30 sheep/goats are slaughtered every day and on Sundays about 100 are slaughtered examination of animals before slaughter and that of carcasses after slaughter takes about 3 hours a day I need not mention to you that this is a very important work in view of public health As the work has enormously increased than what it was 12 years back and as the prices have changed, the present allowance of Rs 10/- does not commensurate with the work I therefore request you kindly increase the allowance to at least Rs 30/- a month in view of the above facts I may here mention

Now I Send you an application in
